

## Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally Identifiable Information' (PII) is being used online. PII, as described in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

### **What personal information do we collect from the people that visit our blog, website or app?**

When ordering, registering, or completing forms on our site, you may be asked to enter your name, email address, mailing address, phone number, date of birth and/or other details to complete information required for registration or electronic document completion.

### **When do we collect information?**

We collect information from you when you register on our site, fill out a form, complete and electronic document, use Live Chat, or open a Support Ticket.

### **How do we use your information?**

We may use the information we collect from you when you complete and submit a form, complete an electronic document, register, make a purchase, sign up for a newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To quickly process transactions.
- To send emails confirming completion of a transaction, electronic document or status the status of a request.
- To follow up with them after correspondence (live chat, email or phone inquiries)

### **How do we protect your information?**

Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible. We use regular Malware Scanning.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the

information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology while in transit and is also encrypted at rest.

We implement a variety of security measures when a user places an order enters, submits, or accesses their information in order to maintain the safety of your personal information.

All financial transactions are processed through a third-party payment provider and are not stored or processed on our servers.

### **Do we use 'cookies'?**

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies.

If you turn cookies off, some features may be disabled. That make your site experience more efficient and may not function properly. However, you will still be able to complete form submissions.

### **Third-party disclosure**

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information, though we may allow users to 'opt-in' for additional services from our partners or partner network.

### **Third-party links**

We may offer third-party products or services on our website, at our sole discretion, which users may 'opt-in' to utilize.

### **Google**

Google's advertising requirements can be summed up by Google's Advertising Principles. They are in place to provide a positive experience for users.

### **We have implemented the following:**

- Demographics and Interests Reporting

We, along with third-party vendors such as Google use first-party cookies (such as the Google Analytics

cookies) and third-party cookies (such as the DoubleClick cookie) or other third-party identifiers together Track web page flow.

### **Opting out:**

Users can set preferences for how Google advertises to you using the Google Ad Settings page. Alternatively, you can opt out by visiting the Network Advertising Initiative Opt Out page or by using the Google Analytics Opt Out Browser add on.

### **California Online Privacy Protection Act**

CalOPPA is the first state law in the nation to require commercial websites and online services to post a privacy policy. The law's reach stretches well beyond California to require any person or company in the United States (and conceivably the world) that operates websites collecting Personally Identifiable Information from California consumers to post a conspicuous privacy policy on its website stating exactly the information being collected and those individuals or companies with whom it is being shared. - See more at:

### **According to CalOPPA, we agree to the following:**

Users can visit our site anonymously.

Once this privacy policy is created, we will add a link to it on our home page or as a minimum, on the first significant page after entering our website.

Our Privacy Policy link includes the word 'Privacy' and can easily be found on the page specified above.

You will be notified of any Privacy Policy changes:

- On our Privacy Policy Page
- Can change your personal information:
- By emailing us
- By calling us
- By chatting with us

### **How does our site handle Do Not Track signals?**

We honor Do Not Track signals and Do Not Track, plant cookies, or use advertising when a Do Not Track (DNT) browser mechanism is in place.

### **Does our site allow third-party behavioral tracking?**

It's also important to note that we do not allow third-party behavioral tracking

### **COPPA (Children Online Privacy Protection Act)**

When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

We do not specifically market to children under the age of 13 years old.

### **Fair Information Practices**

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur:

We will notify you via email within 7 business days.

We also agree to the Individual Redress Principle which requires that individuals have the right to legally pursue enforceable rights against data collectors and processors who fail to adhere to the law. This principle requires not only that individuals have enforceable rights against data users, but also that individuals have recourse to courts or government agencies to investigate and/or prosecute non-compliance by data processors.

### **CAN SPAM Act**

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

We collect your email address in order to

- Send information, respond to inquiries, and/or other requests or questions
- Process orders or submissions and to send information and updates pertaining to those orders or submissions.
- Send you additional information related to your product and/or service.

To be in accordance with CANSPAM, we agree to the following:

- Not use false or misleading subjects or email addresses.
- Identify the message as an advertisement in some reasonable way.
- Include the physical address of our business or site headquarters.
- Monitor third-party email marketing services for compliance, if one is used.
- Honor opt-out/unsubscribe requests quickly.
- Allow users to unsubscribe by using the link at the bottom of each email.

If at any time you would like to unsubscribe from receiving future emails, you can email us at [info@atlantacricketfields.com](mailto:info@atlantacricketfields.com) and we will promptly remove you from ALL correspondence.
